

Double Friendship Knots Online Workshop by Sheri Cifaldi-Morrill of Whole Circle Studio

This is a machine sewing + handwork class.

In the first session, students will trust their intuition and rapidly piece their “scrappy knots” on a sewing machine with paper as a foundation. In the second session, we’ll slow it down and kick back with some handwork, learning how to prepare the applique and how to apply the layered motif by alternating basting and needle-turn applique techniques.

All skill levels—confident beginner to advanced are welcome! Previous experience with foundation paper piecing is helpful, but not required.

If you’re new to foundation paper piecing or haven’t paper pieced in a while, I suggest practicing prior to class if you have time. I will be sharing my technique for foundation paper piecing, including getting fabric to align when dealing with tricky angles.

Some light prep work is required prior to the first class. Students will have foundation paper piecing homework they will need to complete after the first class to move on to the techniques demonstrated in the second class.

Please contact me (sheri@wholecirclestudio.com) with any questions. I look forward to working with you!
